Dubai, United Arab Emirates

Phone: 800 CALLIX

Email: info@callix.ae

Callix is not just a team of agents answering all your inbound calls. It's a human-first customer management tool to manage your business more effectively. An all-in-one cloud based call answering solution that combines human intervention with business analytics. With Callix, you no longer have to invest thousands on long-term call center contracts or in-house reception hires.

Boost your sales now with Callix.
